**BLPA dues for 2011**

The mission of the Bear Lake Preservation Association is to provide environmental and civic stewardship for the Bear Lakes watershed. This is achieved through water quality monitoring, scientific understanding, public education, governmental intervention, and watershed improvements for the enhancement and preservation of the water quality and biological integrity of clean lakes. BLPA is committed to preserving the lakes and community to protect our lifestyle and property values. The BLPA Board of Directors invites you to join our organization and become involved in this effort.
